About us

Started in 2015 in Montpellier in the South of France, Gemini Way is a non-profit association which aims to facilitate exchanges between inhabitants of twin cities.

Our five founding values

To do so, we have created a digital exchange platform,
www.geminiway.com

With Gemini Way, you can...

Find other Geminis

Launch the search and discover the Gemini of the network that correspond to you!

Communicate

Easily interact with your Gemini via our instant translation chat!

Travel

Discover a culture, a language, by traveling in immersion with locals!

GEMINI WAY E-VOYAGEUR

Create your e-traveler profile on www.geminiway.com and find your Gemini (or twin in Latin). People are waiting for you to exchange, discover other cultures, communicate in a foreign language, and travel in cultural immersion in your twin cities. Find out who they are and what they have to offer, thanks to our matchmaking platform! Our instant translation chat will help you communicate easily in many languages.

GEMINI WAY PRO

Create your professional profile on www.geminiway.com and find your Gemini (or twin in Latin). Meet professionals or associations in your field of activity and share experiences with your international counterparts. Expand your network and your visibility.

GEMINI WAY EDUCATION

Create your education profile on www.geminiway.com and find your Gemini (or twin in Latin). Easily find matching classes for your students and share your experiences with your foreign colleagues. In English or the language of the country of choice, develop communication skills in real-life situations. The pros: Students will be able to extend the connections created via GEMINI EDUCATION by registering with their family on Gemini e-Traveler.

GEMINI WAY CITIES

Contact us now to enter the www.geminiway.com network! Make your twin city partnerships shine by giving them a new digital layer. Make contact between inhabitants of the twin cities easier, faster too! Join the organization as a city: your citizens will gain complimentary access, and you will have increased visibility for your city's actions and events thanks to a dedicated space on our platform.
